3.15 Restriction on Further Subdivision, Property Restrictions and Rezoning. No Lot shall be further subdivided or separated into smaller lots or parcels by any Owner other than the Declarant, and no portion less than all of any such Lot shall be conveyed or transferred by any Owner other than the Declarant, without the prior written approval of the Architectural Committee. No further covenants, conditions, restrictions or easements shall be recorded by any Owner, Lessee, or other Person other than the Declarant against any Lot without the provisions thereof having been first approved in writing by the Architectural Committee. No application for rezoning, variances or use permits pertaining to any Lot shall be filed with any governmental authority by any Person other than the Declarant unless the application has been approved by the Architectural Committee and the proposed use otherwise complies with this Declaration.

3.16 Trucks, Trailers, Campers and Boats. No truck, mobile home, travel trailer, tent trailer, trailer, camper shell, detached camper, recreational vehicle, boat, boat trailer, or other similar equipment or vehicle may be parked, maintained, constructed, reconstructed or repaired on any Lot or Common Area or on any street so as to be Visible From Neighboring Property without the prior written approval of the Architectural Committee, except for: (i) the temporary parking of any such vehicle or equipment on a Lot or on a street for a period of not more than twenty-four consecutive hours and not more than forty-eight (48) hours within any seven (7) day period; (ii) temporary construction trailers or facilities maintained during, and used exclusively in connection with, the construction of any Improvement approved by the Architectural Committee; (iii) boats and vehicles parked in garages on Lots so long as such vehicles are in good operating condition and appearance and are not under repair; or (iv) motor vehicles not exceeding seven (7) feet in height and eighteen (18) feet in length which are not used for commercial purposes and which do not display any commercial name, phone number or message of any kind.

### 3.17 Motor Vehicles.

3.17.1 Except for emergency vehicle repairs, no automobile or other motor vehicle shall be constructed, reconstructed or repaired upon a Lot or other property in the Project, and no inoperable vehicle may be stored or parked on any such Lot or other property so as to be Visible From Neighboring Property or to be visible from any Common Area or any street.

3.17.2 No automobile or other motor vehicle shall be parked on any road or street in the Project, except for automobiles or motor vehicles of guests of Owners which may be parked on a road or street in the Project for a period of not more than forty-eight (48) hours during any seven day period.

3.18 Towing of Vehicles. The Board shall have the right to have any truck, mobile home, travel trailer, tent trailer, trailer, camper shell, detached camper, recreational vehicle, boat, boat trailer or similar equipment or vehicle or any automobile, motorcycle, motorbike, or other motor vehicle which is parked, kept, maintained, constructed, reconstructed or repaired in violation of the Project Documents towed away at the sole cost and expense of the owner of the vehicle or equipment. Any expense incurred by the Association in connection with the towing of any vehicle or equipment shall be paid to the Association upon demand by the owner of the vehicle or equipment. If the vehicle or equipment is owned by an Owner, any amounts payable to the Association shall be secured by the Assessment Lien, and the Association may enforce collection of suit amounts in the same manner provided for in this Declaration for the collection of Assessment.

3.19 Variances. The Architectural Committee may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article 3 if the Architectural Committee determines in its discretion that (i) a restriction would create an unreasonable hardship or burden on an Owner, Lessee or Resident or a change of circumstances since the Recording of this Declaration has rendered such restriction obsolete and (ii) that the activity permitted under the variance will not have any substantial adverse effect on the Owners, Lessees and Residents of the Project and is consistent with the high quality of life intended for Residents of the Project.

3.20 Drainage. No Residential Unit, structure, building, landscaping, fence, wall or other Improvement shall be constructed, installed, placed or maintained in any manner that would obstruct, interfere with or change the direction or flow of water in accordance with the drainage plans for the Project, or any part thereof, or for any Lot as shown on the drainage plans on file with the county or municipality in which the Project is located.

3.21 Garages and Driveways. Garages shall be used only for the parking of vehicles and shall not be used or converted for living or recreational activities without the prior written approval of the Architectural Committee.

3.22 Rooftop Air Conditioners Prohibited. No air conditioning units or appurtenant equipment may be mounted, installed or maintained on the roof of any Residential Unit or other building so as to be Visible From Neighboring Property.

3.23 Basketball Goals and Backboards. No basketball goal or backboard shall be attached to a roof and the pole shall be painted to match body color of the Residential Unit.

3.24 Tile Roofs Required. The roofs of all Residential Units must be tile roofs of a design, style, material and color approved by the Architectural Committee.

3.25 Kyrene Perimeter Fences. The perimeter fences along Kyrene Road on Lots 95 through 106 must be of block construction and must be at least eight feet (8') in height.

3.26 Rights of Developers. Notwithstanding any other provision of this Declaration to the contrary, a Developer shall have the right to maintain model homes on Lots owned by the Developer and to construct and maintain parking areas for the purpose of accommodating persons visiting such model homes provided: (i) the plans and specifications for the model homes have been approved in writing by the Architectural Committee; (ii) the location and design of the parking areas incidental to such model homes has been approved in writing by the Architectural Committee; (iii) the opening and closing hours for such model homes have been approved in writing by the Architectural Committee; and (iv) the construction, operation and maintenance of such model homes otherwise complies with all provisions of this Declaration. Any homes constructed as a model home shall cease to be used as a model home at any time the Developer is not actually engaged in the construction and sale of Residential Units in the Project, and no Residential Unit shall be used as a model home for the sale of Residential Units not located in the Project. Notwithstanding any other provision of this Declaration to the contrary, a Developer may store supplies of brick, block, lumber and other building materials on the Lot owned by Developer provided such materials are kept in areas approved in writing by the Architectural Committee which may require the screening of such storage areas. In addition, normal construction activities of the Developer in connection with the construction of Improvements shall not be considered a nuisance or otherwise prohibited by this Declaration. A Developer constructing Improvements on Lots shall keep the Lots in a clean, safe and neat condition free of weeds, trash and debris.

## ARTICLE 4

EASEMENTS4.1 Owners' Easements of Enjoyment.

4.1.1 Subject to the rights and easements granted to the Declarant in Sections 4.3 and 4.4 of this Declaration, every Member, and any person residing with such Member, shall have a right and easement of enjoyment in and to the Common Area (including, but not limited to, the right to use any streets which may be part of the Common Area for ingress and egress to the Member's Lot) which right shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(i) The right of the Association to dedicate, convey, transfer or encumber the Common Area as provided in Section 5.11 of this Declaration.

(ii) The right of the Association to regulate the use of the Common Area through the Association Rules and to prohibit access to such portions of the Common Area, such as landscaped areas, not intended for use by the Owners, Lessees or Residents.

(iii) The right of the Association to suspend the right of an Owner and such Owner's family, tenants and guests to use the Common Area (other than the right of an Owner and such Owner's family, tenants and guests to use any streets which are part of the Common Area for ingress or egress to the Owner's Lot) if such Owner is more than fifteen (15) days delinquent in the payment of Assessments or other amounts due to the Association or if the Owner has violated any other provisions of the Project Documents and has failed to cure such violation within fifteen (15) days after the Association notifies the Owner of the violation.

4.1.2 If a Lot is leased or rented by the Owner thereof, the Lessee and the members of the Lessee's family residing with such Lessee shall have the right to use the Common Area during the term of the lease, and the Owner of such Lot shall have no right to use the Common Area until the termination or expiration of such lease.

4.2 Utility Easement. There is hereby created an easement upon, across, over and under the Common Area and the Lots for reasonable ingress, egress, installation, replacing, repairing or maintaining of all utilities, including, but not limited to, gas, water, sewer, telephone, cable television and electricity. By virtue of this easement, it shall be expressly permissible for the providing utility company to erect and maintain the necessary equipment on the Common Area or Lots but no sewers, electrical lines, water lines, or other utility or service lines may be installed or located on the Common Area or Lots except as initially designed, approved and constructed by the Declarant or as approved by the Board.

4.3 Declarant's Use for Sales and Leasing Purposes. Declarant shall have the right and an easement to maintain sales or leasing offices, management offices and models throughout the Project and to maintain one or more advertising, identification or directional signs on the Common Area or on the Lots owned by Declarant while the Declarant is selling Lots. Declarant reserves the right to place models, management offices and sales and leasing offices on any Lots owned by Declarant and on any portion of the Common Area in such number, of such size and in such locations as Declarant deems appropriate. In the event of any conflict or inconsistency between this Section and any other provision of this Declaration, this Section shall control.

4.4 Declarant's Easements. Declarant shall have the right and an easement on and over the Areas of Association Responsibility to construct all Improvements the Declarant may deem necessary and to use the Areas of Association Responsibility and any Lots and other property owned by Declarant for construction or renovation related purposes including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of work respecting the Project. The Declarant shall have the right and an easement upon, over, and through the Areas of Association Responsibility as may be reasonably necessary for the purpose of discharging its obligations or exercising the rights granted to or reserved by the Declarant by this Declaration. In the event of any conflict or inconsistency between this Section and any other provision of this Declaration, this Section shall control.

4.5 Easement in Favor of Association. The Lots are hereby made subject to the following easements in favor of the Association and its directors, officers, agents, employees and independent contractors:

4.5.1 For inspection of the Lots in order to verify the performance by Owners of all items of maintenance and repair for which they are responsible;

4.5.2 For inspection, maintenance, repair and replacement of the Areas of Association Responsibility accessible only from such Lots;

4.5.3 For correction of emergency conditions in one or more Lots;

4.5.4 For the purpose of enabling the Association, the Board, the Architectural Committee or any other committees appointed by the Board to exercise and discharge their respective rights, powers and duties under the Project Documents;

4.5.5 For inspection of the Lots in order to verify that the provisions of the Project Documents are being complied with by the Owners, their guests, tenants, invitees and the other occupants of the Lot.

## ARTICLE 5

THE ASSOCIATION; ORGANIZATION; MEMBERSHIP  
AND VOTING RIGHTS

5.1 Formation of Association. The Association shall be a nonprofit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Declaration. In the event of any conflict or inconsistency between this Declaration and the Articles, Bylaws, Association Rules or Architectural Rules, this Declaration shall control.

5.2 Board of Directors and Officers. The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws. Unless the Project Documents specifically require the vote or written consent of the Members, approvals or actions to be given or taken by the Association shall be valid if given or taken by the Board.

5.3 The Association Rules. The Board may, from time to time, and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations pertaining to: (i) the management, operation and use of the Areas of Association Responsibility including, but not limited to, any recreational facilities situated upon the Areas of Association Responsibility; (ii) minimum standards for the maintenance of Lots; or (iii) the health, safety or welfare of the Owners and Residents. In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules, the provisions of this Declaration shall prevail. The Association Rules shall be enforceable in the same manner and to the same extent as the covenants, conditions and restrictions set forth in this Declaration.

5.4 Personal Liability. No member of the Board or of any committee of the Association, no officer of the Association, and no manager or other employee of the Association shall be personally liable to any Member, or to any other person or entity, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, the Board, the manager, any representative or employee of the Association, or any committee, committee member or officer of the Association; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in wilful or intentional misconduct.

5.5 Implied Rights. The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

5.6 Identity of Members. Membership in the Association shall be limited to Owners of Lots. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease.

5.7 Classes of Members and Voting Rights. The Association shall have the following two classes of voting membership:

(i) Class A. Class A members are all Owners, with the exception of the Declarant until the termination of the Class B membership, of Lots. Each Class A member shall be entitled to one (1) vote for each Lot owned. Upon the termination of the Class B membership, the Declarant shall be a Class A member so long as the Declarant owns any Lot.

(ii) Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the earlier of (i) the date on which the votes entitled to be cast by the Class A members equals or exceeds the votes entitled to be cast by the Class B member; (ii) the date which is seven (7) years after the Recording of this Declaration; or (iii) when the Declarant notifies the Association in writing that it relinquishes its Class B membership.

5.8 Voting Procedures. No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast by a Class A Member for a particular Lot, none of the votes shall be counted and all of the votes shall be deemed void.

5.9 Transfer of Membership. The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership to the Lot. A transfer of ownership to a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the Membership appurtenant to said Lot to the new Owner thereof. Each Purchaser of a Lot shall notify the Association of his purchase within ten (10) days after he becomes the Owner of a Lot.

5.10 Architectural Committee. The Association shall have an Architectural Committee to perform the functions of the Architectural Committee set forth in this Declaration. The Architectural Committee shall be a Committee of the Board. The Architectural Committee shall consist of such number of regular members and alternate members as may be provided for in the Bylaws. So long as the Declarant owns any Lot, the Declarant shall have the sole right to appoint and remove the members of the Architectural Committee. At such time as the Declarant no longer owns any Lot, the members of the Architectural Committee shall be appointed by the Board. The Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Committee, and in that event the Declarant may require, for so long as the Declarant owns any Lot, that specified actions of the Architectural Committee, as described in a Recorded instrument executed by the Declarant, be approved by the Declarant before they become effective. The Architectural Committee may promulgate architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures may include, without limitation, provisions regarding: (i) the size of Residential Units; (ii) architectural design, with particular regard to the harmony of the design with the surrounding structures and typography; (iii) placement of Residential Units and other buildings; (iv) landscaping design, content and conformance with the character of the Property and permitted and prohibited plants; (v) requirements concerning exterior color schemes, exterior finishes and materials; (vi) signage; and (vii) perimeter and screen wall design and appearance. The decision of the Architectural Committee shall be final on all matters submitted to it pursuant to this Declaration.

5.11 Conveyance or Encumbrance of Common Area. The Common Area shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of the Class B member of the Association and the affirmative vote or written consent of the Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Class A members of the Association.

5.12 Suspension of Voting Rights. If any Owner fails to pay any Assessments or other amounts due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board of Directors shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Project Documents are corrected.

## ARTICLE 6

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1 Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned by it, hereby covenants and agrees, and each Owner, other than the Declarant, by becoming the Owner of a Lot, is deemed to covenant and agree, to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each Assessment, together with interest and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

6.2 Annual Assessments.

6.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves, the Board, for each Assessment Period shall assess against each Lot an Annual Assessment.

6.2.2 The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will, become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessment by Members, it may increase the Annual Assessment for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board.

6.2.3 The maximum Annual Assessment for each fiscal year of the Association shall be as follows:

(i) Until January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum Annual Assessment for each Lot shall be \$360.00.

(ii) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the Board may, without a vote of the members, increase the maximum Annual Assessment during each fiscal year of the Association by the greater of (a) 5% of the maximum Annual Assessment for the immediately preceding fiscal year or (b) an amount based upon the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) U.S. City Average (1982-84=100), issued by the United States Department of Labor, Bureau of Labor Statistics (the "Consumer Price Index"), which amount shall be computed in the last month of each fiscal year in accordance with the following formula:

X = Consumer Price Index for September of the calendar year immediately preceding the year in which the Annual Assessments commenced.

Y = Consumer Price Index for September of the year immediately preceding the calendar year for which the maximum Annual Assessment is to be determined.

$\frac{Y-X}{X}$

X multiplied by the maximum Annual Assessment for the then current fiscal year equals the amount by which the maximum Annual Assessment may be increased.

In the event the Consumer Price Index ceases to be published, then the index which shall be used for computing the increase in the maximum Annual Assessment permitted under this Subsection shall be the substitute recommended by the United States government for the Consumer Price Index or, in the event no such successor index is recommended by the United States government, the index selected by the Board.

(iii) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum Annual Assessment may be increased by an amount greater than the maximum increase allowed pursuant to (ii) above, only by a vote of Members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.3 Rate of Assessment. The amount of the Annual Assessment for each Lot other than Lots owned by the Declarant or the Developer shall be the amount obtained by dividing the total budget of the Association for the Assessment Period for which the Annual Assessment is being levied by the total number of Lots subject to the Assessment at the time the Annual Assessment is levied by the Board. The Annual Assessment for Lots owned by the Declarant or the Developer shall be an amount equal to twenty-five percent (25%) of the Annual Assessment levied against Lots owned by Persons other than the Declarant or the Developer. If a Lot ceases to qualify for the twenty-five percent (25%) rate of assessment during the period to which an Annual Assessment is attributable, the Annual Assessment shall be prorated between the applicable rates on the basis of the number of days in the Assessment Period that the Lot qualified for each rate.

6.4 Obligation of Declarant and Developer for Deficiencies. So long as there is a Class B membership in the Association, Declarant and Developer shall pay and contribute to the Association, within thirty (30) days after the end of each fiscal year of the Association, or at such other times as may be requested by the Board, such funds as may be necessary, when added to the Annual Assessments levied by the Association, to pay all Common Expenses of the Association as they become due. The payment for any such deficiency shall be divided between the Declarant and the Developer on a pro rata basis according to the number of Lots owned by each as of the date the request for such deficiency payment is made by the Board.

6.5 Special Assessments. The Association may levy against each Lot which is then subject to assessment, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an Improvement upon the Common Area, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.6 Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Annual Assessments shall commence upon the conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

6.7 Commencement Date of Assessment Obligation. All Lots shall be subject to assessment upon the conveyance of the first Lot to a Purchaser.

6.8 Rules Regarding Billing and Collection Procedures. Annual Assessments shall be collected on a quarterly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installation thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.9 Effect of Nonpayment of Assessments; Remedies of the Association.

6.9.1 Any Assessment, or any installment of an Assessment, not paid within five (5) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate of twelve percent (12%) per annum or the prevailing VA/FHA interest rate for new home loans, whichever is higher. In addition, the Board of Directors may establish a late fee to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within five days after such payment was due.

6.9.2 The Association shall have a lien on each Lot for: (i) all Assessments levied against the Lot; (ii) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (iii) all fines levied against the Owner of the Lot; (iv) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Lot; (v) any amounts payable to the Association pursuant to Section 7.3 or 7.4 of this Declaration; and (vi) any other amounts payable to the Association pursuant to the Project Documents. The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is recorded and the amount claimed to be past due as of the date of the recording of the Notice, including interest, lien recording fees and reasonable attorneys' fees. Before recording any Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments, together with interest, late charges and reasonable attorneys' fees, if any. The demand shall state the date and

amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with recording a Notice of Lien against the Lot. If the Association records a Notice of Lien, the Association may charge the Owner of the Lot against which the Notice of Lien is recorded a lien fee in an amount to be set from time to time by the Board.

6.9.3 The Assessment Lien shall have priority over all liens or claims except for: (i) tax liens for real property taxes; (ii) assessments in favor of any municipal or other governmental body; and (iii) the lien of any First Mortgage. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot.

6.9.4 The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fees, fines, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full.

6.9.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments or (ii) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

6.10 Evidence of Payment of Assessments. Upon receipt of a written request by a Member or any other Person, the Association, within a reasonable period of time thereafter, shall issue to such Member or other Person a written certificate stating that all Assessments, interest, and other fees and charges have been paid with respect to any specified Lot as of the date of such certificate, or if all Assessments have not been paid, the amount of such Assessments, interest, fees and charges due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matters therein stated as against any bona fide Purchaser of, or lender on, the Lot in question.

6.11 Purposes for which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Project and the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: social interaction among Members and Residents, maintenance of landscaping on Common Areas and public right-of-way and drainage areas within the Project, recreation, liability insurance, communications, ownership and operation of vehicle storage areas, education, transportation, health, utilities, public services, safety and indemnification of officers and directors of the Association. The Association may also expend its funds for any purpose for which a nonprofit corporation may expend funds under the laws of the State of Arizona.

6.12 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

6.13 Working Capital Fund. To insure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Purchaser of a Lot from the Declarant shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the current Annual Assessment for the Lot. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under the Project Documents. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

6.14 Transfer Fee. Each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board.

## ARTICLE 7

MAINTENANCE

7.1 Areas of Association Responsibility. The Association, or its duly delegated representative, shall manage, maintain, repair and replace the Areas of Association Responsibility, and all Improvements located thereon, except for any part of the Areas of Association Responsibility which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate maintenance, repair and replacement of all Areas of Association Responsibility. The landscaping on all Areas of Association Responsibility must be maintained in accordance with the landscape plan approved by the City of Tempe.

7.2 Lots. 9.4.5 Any First Mortgagee who receives a written request from the Board to respond to or consent to any action requiring the consent of the First Mortgagee shall be deemed to have approved such action if the Association has not received a negative response from such First Mortgagee within thirty (30) days of the date of the Association's request.
